

St. Edmund's Tea Society

The Society

We aim to get together every Sunday to enjoy tea in the small CR. We plan on indulging in teas from the East.

Those joining the society might see drinking tea as a new meditative ritual in their lives and have the opportunity to explore the fascinating world of Chinese, Japanese, Nepalese and other teas. They will be able to broaden their horizons from the simple English Breakfast or Earl Grey to get to know oolongs, pu'erhs, white and green teas and matchas.
