

St. Edmund's Podcasting Society

The Society

The St Edmund's Broadcasting Company (SBC) is a society for Eddies to try their hand at podcasting as well as audiovisual (AV) production. We have cameras and mics so you can create your own podcasts—for distribution in college or online—or host virtual events in college. We're hoping to collaborate with other societies so they can host events online, and no experience is necessary, so please feel free to come and try your hand at podcasting!
