

You're invited to join the

EDDIES BADMINTON SOCIETY!

Saturdays at 5:00 pm
University of Cambridge Sports Centre

Beginners are Welcome!

The Society

We are a friendly community of badminton enthusiasts that meet for weekly playing sessions, and occasionally hold badminton matches with other colleges in the Inter-College Badminton League.

What We're Proud Of

We are a very open society. We welcome students from all races, nationalities and backgrounds with many chances for players to play against each other, and to represent the college in matches against other colleges. There are players of various skill levels here, and the emphasis is on having fun and the love for the sport.

Commitment Level

At present, our Sessions are held on Saturdays at 5-6pm during term time, although this is subject to change in the future. We understand that students typically have very packed schedule. Hence, our sessions are normally free and easy, and students typically come as their schedules allow. Do check our Facebook Page often to be notified of any future changes. For inter-college matches, we would plan ahead to suit participating players' schedules, but once confirmed, we recommend that players come punctually at the agreed time.

FAQs

Q: What is the difference between the University Badminton Club and the Eddies badminton Club?

A: We are a more social and recreational club. While we do offer friendly competitions between colleges, we do not have rigorous training sessions or trials.

Q: How do I join the Eddies Badminton Society?

A: If you join our Facebook Page, you are already a member! Hope to see you at our regular playing sessions.
